Repairs to the Jaggulala Dharmasala at Mysore.

SIR,

With reference to your letter No.1431/Muz.276-25-2 dated the 10th May 1926, calling for certain additional information in connection with the repairs to the Jaggulala Dharmasala at Mysore, I have the honor to inform you that the supplemental estimate for Rs.1,302/- now sent up to Government for sanction is composed of petty items of urgent repairs carried out during execution of works provided for in the big estimate as sanctioned for Rs.5,200/- in G.O.No.1188-90/Muz.215-23-2 dated the 7th March 1924, the same being considered essential. The value of these petty ~~works~~ items of work so carried out amounts to Rs.684/-; the difference of Rs.618 represents however the levy of the usual Establishment and Tools and Plant Charges on ~~the~~ amount of Rs 5200/- as Sanctioned by Govt in the G.O. referred to above and on that of the original sanctioned estimate as no provision on this account was made in the first instance.

2. As regards the observation re the undertaking of the work before the estimate is sanctioned it may be mentioned that the work had to be carried out along with the other ~~works~~ items of similar nature and they could not be allowed to wait till all the usual formalities in regard to Muzrai works are observed. These works were carried as per desire of the Dharmadarsis.

3. The Muzrai Commissioner has been also consulted in the matter and the supplemental estimate has passed through this office and a copy of his letter No.C.118 of 25-26 of the 5th January 1926, is herein enclosed for information.

4. Early sanction to the supplemental estimate may be kindly conveyed so that the expenditure already incurred may be regularized as already reported.

Letter No.C.118 of 25-26 dated the 5th January 1926, from the Muzrai Commissioner in Mysore, to the Chief Engineer of Mysore, Bangalore.

With reference to G.O.No.1188-80/Muz.215-23-2 dated the 17th March 1924, sanctioning an estimate for Rs.5,200/- for repairing and improving the Jaggulala Dharmasala at Mysore, I have the honor to forward herewith for favor of scrutiny and submission to Government for sanction a supplemental estimate for additional items of work amounting to Rs.680/- received with correspondence ending with letter No.C.47 of 25-26 dated 14th November 1925.

From the file it is seen that the work has been carried out at a cost of Rs.684-2-0 and the Executive Engineer, Special Division Mysore has stated in his letter No.47-25-26 dated 13-10-25 that the excess of Rs.4-2-0 over the supplemental estimate may be passed and the supplemental estimate sanctioned early.

The members of the Dharmasala Committee have resolved that the supplemental estimate may be sanctioned. The amount at the credit of the institution is said to be Rs.1272-15-7 in the Mysore Government Savings Bank.

In these circumstances, I request that sanction of Government may be obtained to the supplemental estimate raising it to Rs.684-2-0 the cost being met from the funds of the institution as recommended by the Deputy Commissioner.

The entire file containing the original and supplemental estimate and the final bill in duplicate for Rs.684-2-0 is enclosed for reference.

SIR,

With reference to your letter No.424 Muz.276-25 dated 31st August 1926 requesting to be informed as to how the cost of the supplemental -- estimate for Rs.1302/- for repairs executed to the Jaggulala Dharmasala has to be met, I have the honor to state that the Deputy Commissioner Mysore who was asked to report what amount was available at the credit of the institution in Government Savings Bank has replied in his letter No.H.168 dated 13th January 1927 that the institution had only a sum of Rs.614-9-8 on 5th January 1927 in Savings Bank account and recommends that the charges on account of the establishment, tools and plant ---- amounting to Rs.618/- might be waived as the cash grant of Rs.72/- per mensem is ordered to be discontinued from 1st July 1927, which means a substantial reduction in the income and the institution would be --- hardpressed for its current expenses. At the end of January 1927 the institution had Rs.377-2-1 in the Muzrai Funds as per accounts kept in this office.

In the circumstances reported by the Deputy Commissioner, I beg to recommend that the establishment, tools & plant charges may be waived as a special case and the supplemental estimate for Rs.684/- may be sanctioned the cost being met from the amount available at the credit of the institution in Savings Bank Account and in Muzrai Funds.
